Important Deadlines and Notes

- Physiology and Hygiene Requirement - Deadline:** *By Clinical II Audit Deadline (see below)* **Date Completed:** _____
- The New Jersey Department of Education has a Physiology and Hygiene requirement for teaching certification candidates. This requirement can be satisfied by completing appropriate coursework or by passing the *Health Knowledge Test* available through the Center of Pedagogy. Please see your Teacher Ed. Advisor or consult Canvas for more information on how to fulfill this requirement.
- Substitute Teaching License Requirement - Deadline:** *Before starting Prof. Sequence* **Date Completed:** _____
- Students are required to have a New Jersey Substitute Teaching License before starting the Professional Sequence. You are eligible to obtain a Substitute Teaching License once you have earned 30 credits. Students are advised to start this process as soon as possible as it can take up to three months to complete. Consult Canvas or Teacher Ed. Advisor for more information.
- Clinical Practice I & II Application - Deadline:** *March 1st for Fall Clin. I & II/ Oct. 1st for Spring Clin. I & II* **Date Completed:** _____
- Students must complete the Clinical Practice I & II Application the semester before they plan to start Clinical I. The application is an online eligibility survey that informs the Office of Clinical Internships that you are ready to start your Clinical year and prompts them to initiate the placement process.
- Praxis Subject Assessment - Deadline:** *By Clinical II Practice Audit Deadline (see below)* **Date Completed:** _____
- The New Jersey Department of Education requires all candidates to achieve a minimum score on the Praxis Subject Assessment. Information regarding which test to register for and how to register is available on www.ets.org/praxis. Students are urged to take the required Praxis test as early as possible and to report both passing and non-passing scores to the Center of Pedagogy.
- Clinical Practice Audit - Deadline:** *July 15th for Fall Clinical I & II/ December 15th for Spring Clinical I & II*
- The *Office of Teacher Education Advisement and Retention* will conduct an audit to verify your eligibility once you submit your application for Clinical Practice I & II. You can expect to receive formal notification from the Center of Pedagogy regarding your audit results.

Clinical I Eligibility: The following requirements must be met by the Clinical Audit Deadline

- Full Admission to Teacher Education Program** *(All Provisions must be met if applicable)*
- 3.0 or higher Overall GPA**
- Required Major GPA** *(Varies by major. Please see your TEP Advisor or TEP Handbook on Canvas for more information)*
- B- or better in all Professional Sequence Courses**
- B- or better in departmental Methods course(s)**
- On track to complete all coursework prior to Clinical II**
- Submit Praxis Subject Assessment Score Report (pass or non-pass)**
computer and then emailed to TEadvisement@montclair.edu and your Program Advisor no later than the Clinical Audit
- Substitute Teaching License** - Emailed to clinicalinternships@montclair.edu
- Mantoux (TB) Test** - Results emailed to clinicalinternships@montclair.edu *(Consult Canvas for more information)*

Clinical II Eligibility: The following requirements must be met by the Clinical Audit Deadline

- All of the above**
- Completion of all undergraduate coursework (except Clinical II courses themselves)**
- Completion of Physiology and Hygiene requirement**
- Submit Praxis Subject Assessment Score Report (if not passed by Clinical I audit)**
TEadvisement@montclair.edu and your Program Advisor no later than the Clinical Audit Deadline.
- Passing **OPI** required for *Spanish, French, Italian* or *TESL*; Passing **WPT** for *TESL*; Passing **LTTC** for *Latin*.
