

# FOCUSED ON THE FUTURE

With an MBA from  
the Feliciano School of Business  
at Montclair State University

**MONTCLAIR**  
STATE UNIVERSITY

**Feliciano School of Business**

# WHO IS MONTCLAIR'S MBA RIGHT FOR?

## WORKING PROFESSIONALS

Acquire advanced business skills and strategic leadership knowledge while maintaining your current job responsibilities. With the flexibility of Online, On-Campus and Hybrid learning, you can gain a competitive edge and open up new opportunities for growth within your respective field.

## STUDENTS SEEKING ONLINE LEARNING

Pursue your educational goals without compromising existing work commitments or personal responsibilities. Our fully Online curriculum enables you to gain industry-relevant knowledge through highly relevant coursework and networking opportunities.

## ASPIRING MANAGERS AND LEADERS

Give yourself a strategic advantage and position yourself for increased managerial responsibilities. Hone critical business skills essential for effective leadership, such as strategic decision-making, team leadership and organizational management.

## CAREER CHANGERS

Our MBA offers a broad range of skills and knowledge that can be applied across different industries, making it an ideal platform for transitioning into a new field, whether in Accounting, Business Analytics, Digital Marketing, Finance, Human Resources Management, Marketing, Project Management or Real Estate Development.

## INTERNATIONAL STUDENTS

Montclair's MBA programs enable international students to gain global business perspectives and expand professional networks across borders. You will be exposed to diverse perspectives, cultures, and business practices, enhancing your adaptability and cross-cultural communication skills.

## ANALYTICAL PROBLEM-SOLVERS

Build a comprehensive understanding of business dynamics while cultivating critical thinking and strategic decision-making abilities. Montclair's MBA will enable you to approach complex challenges with a data-driven and problem-solving mindset.

# THE FELICIANO MBA IS AN OUTSTANDING INVESTMENT IN YOUR FUTURE

- MBA graduates earn tens of thousands of dollars more annually than those with just an undergraduate degree
- 92% of MBA graduates are hired by corporate recruiters, according to a GMAC corporate recruiters survey
- 90% of our grads would recommend the Feliciano MBA program to others
- 96% said their Feliciano MBA prepared them to manage teams and projects
- 91% said they can apply principles of agile and anticipative leadership to real life situations
- 89% said they're able to identify and evaluate the opportunities and challenges of operating in complex global business environments.

A Feliciano MBA is affordable and provides an excellent ROI. Tuition and fees for each credit costs slightly more than \$1,000 — less than the price of a daily large fancy coffee made by your favorite barista. An investment in yourself will pay off dividends for your career and community for years to come.

## TOTAL COST

- \$38,300 for a general MBA
- \$32,100 for an online MBA
- \$31,917 for 4+1 Bachelor's/MBA

# TODAY'S MBA STUDENTS, TOMORROW'S BUSINESS LEADERS

Take it from our students and alumni, the Feliciano MBA will give you the advantage you want in today's global business market. Immerse yourself in opportunities — to engage with business leaders, participate in research or internships and broaden your business horizons. See what people have to say about the Feliciano difference.

*“Embarking on the MBA journey proved pivotal for my career, offering a comprehensive curriculum and practical tools for my role in social media marketing. The faculty’s extensive business experience has been invaluable.”*

*Kayla Romero, MBA '24  
Weeknight program*

*“The international trip was a true highlight of the MBA program, one that was even more special for me as it marked my first time traveling abroad. Being exposed to the diverse business scenes and cultural nuances of Chile and Argentina broadened my global outlook and deepened my understanding of international business dynamics.”*

*Jillian Perez, MBA '24  
Accelerated 4+1 Program*

## TODAY'S MBA STUDENTS, TOMORROW'S BUSINESS LEADERS

*"Feliciano School of Business' MBA program prepared me for the next chapter in my career. My professors focused on applying current national and global business sector issues to classroom lessons and assignments. This level of education helped condition me for my new role as AVP of Public Relations. It gave me the knowledge and confidence to take on a board position at a national non-profit organization simultaneously."*

*Francisco J. Galindo, MBA '20  
AVP Public Relations - Lincoln Tech,  
Saturday Program*

*"Montclair's MBA program is an experience I still reflect on today. Though I was virtual, I had the opportunity to meet classmates who were completing this milestone alongside me. While attaining a postgraduate degree is itself rewarding, connecting with others while obtaining that degree makes the experience that much more enriching."*

*Melonnie Ali, Summit Health, MBA '19  
Associate Database Manager  
Online Program*

# AN MBA FOR TOMORROW'S WORLD, TODAY

The Feliciano MBA means you have many options, including online. Our robust curriculum and concentrations and graduate certificates will give you an advantage in today's global business world. Opportunities to consult with real-world businesses to analyze and solve business problems will open doors. Gain real-world experience through our Red Hawk Fund, a student managed investment fund. Choose your area of focus and design your life with our career accelerator courses.
